

SECRETFILE Committee 2

22 July 1964

MEMORANDUM FOR: Director of Security

ATTENTION : Secretary, Security Committee
United States Intelligence Board

SUBJECT : Composition of Membership, Security Committee

At the time of the change in membership of the United States Intelligence Board wherein the Defense Intelligence Agency constitutes the representation to the Board with Army, Navy and Air serving as advisors, the question was raised as to whether the committees of USIB should change their membership composition. It was agreed that DIA would study the problem. DIA has now indicated to the Director that it feels Army, Navy and Air should retain membership on the USIB Committees. Mr. ☐ called me for my reaction to this as regards the Security Committee, and I advised approval of the DIA position that Army, Navy and Air representation was necessary for the effective operation of the Committee.
